MEMORANDUM FOR: Chief, Paramilitary Division, PP Staff

ATTENTION :

25X1

SUBJECT : Copies of Final Report on Explosives, Field
Expedient and Manual for the Preparation of
Field Expedient Incendiaries

1. Reference is made to your memorandum dated 2 March 1959 for Chief, TSS/Engineering Division, concerning reproduction of the subject reports.

2. Copies of the Final Report on Explosives, Field Expedient are being forwarded to you under separate cover. Through an inadvertence only forty-three (43) copies, instead of the fifty (50) copies you requested, are available for issue to your office. It is not believed economical to arrange at this time for the reproduction of seven (7) more copies; however, if it is imperative that you have the full fifty (50), we will arrange for an additional publication.

3. The Manual for the Preparation of Field Expedient Incendiaries will now be turned over to the printers. A Manual of Castable Incendiaries is presently being printed and will be available in the near future.
